

SUMTER AREA PUBLIC SERVICE CHANNELS

Sumter (Police, Sheriff, EMS, Fire and talk groups with no SChP)

c=control data channel

854.2375c	854.9875c	857.4625c	858.4625c	859.4625c	855.9875	856.4625	860.4625
-----------	-----------	-----------	-----------	-----------	----------	----------	----------

Sumter control channels© change daily. If your scanner will not trunk, find the daily control channel and lockout for the day. You must update your search daily to find the active channels for Sumter.

PALMETTO SYSTEM

SChP, area hospitals, EMS helicopters, SCEG Operations and Security, Sumter Transit and car data?

(Control Channels © never change so lock them out and only use for finding best repeater reception)

Alcolu (SChP for Sumter, Clarendon County Law Enforcement and Fire, Orangeburg and Lee counties)

857.2125c	853.7125c	851.900	852.300	852.600	853.7125	852.950
-----------	-----------	---------	---------	---------	----------	---------

Wedgefield (SChP for Sumter, Richland plus EMS and Fire, Orangeburg, Clarendon plus all services, and Kershaw plus Law Enforcement and Fire)

853.300c	858.9375c	851.0625	851.6125	854.2875	857.9375	859.9375	860.9375
----------	-----------	----------	----------	----------	----------	----------	----------

Lynchburg (SChP for Sumter, Florence, Clarendon, and Lee Counties)

853.6125c	851.200	851.800	852.5875	852.900
-----------	---------	---------	----------	---------

Camden (SChP for Sumter, Lee, Kershaw plus Law Enforcement, Fire, and Richland plus EMS, Fire, and local hospitals) The FCC lists many channels but I doubt all are active? Let us know the inactive channels in Camden. I do not copy Camden very well at my location South of Sumter.

853.9125c	855.1875c	853.3625c	851.575	852.0750	852.4125	852.800	853.1375
853.4125	857.2875	858.2875	853.100	851.7875	856.0375	852.2875	853.1735
859.2875
